General Notes

1. 9.00am

Went to AAA Striping in Columbus, looked at logos on signs with Cody. Selected most like park logo, and lightest sign, said to submit and would include picture for formal acceptance. Inquired about missing decals on fiberglass, he had no knowledge.

11.00am

At Montgomery and highway, checked again on fiber optic marker. Looked with Steve Hensley at Jackson and alley toward water, about 20 feet of pipe needed to daylight past water meter. Looked at commons and reviewed work to finish and grading to be corrected. Poole on site prepping for siding.
